GENERAL RULES & INFORMATION

The Central Pacific Non-Qualifying Competition will be conducted in accordance with the rules and regulations of U.S. Figure Skating, as set forth in the current rulebook and non-qualifying competition guidelines, as well as any pertinent updates which have been posted on the U.S. Figure Skating website. Any approved exceptions to the current rules or guidelines are noted in this announcement.

The Chief Referee's interpretation of the rules and decisions on all questions not covered by these rules is final.

Information will be posted and available at www.wasatchfigureskating.org, as necessary.

ELIGIBILITY/TEST LEVEL

This competition is open to all eligible, restricted, reinstated or readmitted persons as defined by the Eligibility Rules, and is a currently registered member of a U.S. Figure Skating member club, a collegiate club or an individual member in accordance with the current rulebook. Please refer to the current rulebook for non-U.S. Citizens.

Test level: Competition level is the highest test passed as of the entry deadline (Sept. 1, 2016) in the discipline the skater is entering. Entrants may skate one level above that for which they qualify, but they may not skate down in any event.

Age restrictions/requirements: Age restrictions are noted in the event requirements section of this announcement and are in accordance with U.S. Figure Skating rules. Age is based on the closing date of entries for this competition (Sept. 1, 2016).

ENTRIES

Entries may have to be limited and will be accepted in the order received.

Online Entry Only: Secure online registration and credit card payment (Visa, Mastercard, and Discover only) is the only method for entry to this competition. Please go to www.entryeeze.com and click on the Central Pacific Non-Qualifying Competition logo to register your information as well as pay all entry fees.

Deadline for online registration is by 11:59 PM on **September 1, 2016**.

Each skater entry is a step by step process of adding club and coach information, skating level, events, and practice ice session reservations to the shopping cart.

Prior to completing payment for the online entry, competitors will be taken to an *Assumption of Risk and Waiver of Liability* page. Please review this page. The Assumption of Risk and Waiver of Liability must be accepted by the parent/guardian or adult skater prior to being directed to the payment page.

When online entry is complete and payment is made via credit card, an e-mail is automatically sent confirming the entry. Additionally, **an e-mail is sent to the skater's primary coach and home club when a skater's entry is processed. These e-mails have a link embedded in them. The receiver must click that link to be taken to an "Approval" page in our system. If the receiver clicks the "I approve" button in that page, the system records the approval. Skaters who do not receive approvals from their club and coach will not be able to compete.** Therefore, it is vital that the club officer and primary coach follow this procedure to approve the skater entry. In addition, if your coach and/or club are not currently listed in the dropdown box available, please be sure to enter the correct contact e-mail for your coach and/or club.

As a condition of and in consideration of the acceptance of their entries or participation therein, all entrants, their parents and guardians and officials shall be deemed to agree to assume all risks of injury to their person and property resulting from, caused by or connected with, the conduct and management of the competition, and to waive and release any and all claims which they may have against any officials, U.S. Figure Skating, the Wasatch Figure Skating Club and its officers. Entries shall be accepted only on such condition. This is in accordance with Rule 1600 of the official U.S. Figure Skating Rulebook.

GROUPS

Two entries constitute an event, except for Special Needs events where one entrant is sufficient. All other events with only one entrant will be cancelled and the fees refunded. However, skaters who are the only entrant in an event may be allowed to compete at the Chief Referee’s discretion, if time permits. If the solo entry skater is offered and accepts the opportunity to compete, fees will not be refunded. The skater will be judged, receive scores and their award. Note: The withdrawal of competitor(s) in an event within 48 hours of the event start will not change the status of an event as long as one skater remains; no event will be cancelled with at least one competitor, and no refunds provided, within 48 hours of the competition event.

Events having a large number of entries will be divided into groups based on age of competitors. Group size may be larger or smaller than the standard set in the Rulebook at the discretion of the Chief Referee. There will not be final rounds for any events with multiple groups.

FACILITIES

The competition will be held at the Weber County Ice Sheet at 4390 Harrison Boulevard, Ogden, Utah 84403. The Weber County Ice Sheet will have two ice surfaces available to us (Olympic and NHL). The Olympic Rink is 100’ x 200’ and the NHL rink is 80’ x 200’. Number of entries will determine which ice surface will be used for the non-qualifying competition events.

Several eating establishments, such as Starbucks are a short distance (some within walking distance) from the rink. Layered clothing/blankets are recommended as the rinks tend to be very cold.

INFORMATION REGARDING COACHES

U.S. Figure Skating Rule MR 5.11 Coach Compliance

In order to be granted access to work within U.S. Figure Skating sanctioned activities, each coach must complete the following requirements on an annual basis by July 1:

- A. Must be a current full member of U.S. Figure Skating - either through a member club or as an individual member;
- B. Must complete the coach registration process through the U.S. Figure Skating Members Only site, submit proper payment for the annual registration fee of \$30 and, if 18 years of age or older, successfully pass the background screen.
- C. Must complete the appropriate CER courses (A,B, C or D) depending on the highest level of students being coached. See rule MR 5.12.
- D. Must submit proof of current general liability insurance with limits of \$1 million per occurrence/\$5 million aggregate.

For Basic Skills ONLY coaches – any person, 18 and older, instructing in a U.S. Figure Skating Basic Skills Program must have successfully passed the annual background screen and be registered as a Basic Skills instructor member. The local organizing committee/club will have a list of compliant coaches who are cleared for a credential at the competition. Coaches will need to check in at the event registration desk and show a government issued photo I.D. to receive a credential.

NOTE: Any coach also participating in the Central Pacific Regional Championships must be a current member of PSA in addition to the above requirements.

If a coach cannot provide a photo I.D. and is not on the list or cannot produce the necessary documents, he or she will not be allowed a credential – **no exceptions**. We strongly urge *all* coaches to have their cards with them. Non-credentialed coaches will not be permitted in the designated coaching area at rink side during events and including practice sessions. Coaching at U.S. Figure Skating events without compliance is an ethics violation which is reported to U.S. Figure Skating and PSA.
